

DEAR GUESTS
A WARM WELCOME TO YOUR
HISTORIC RESTAURANT
RICH IN TRADITION.

Welcome to the Krone

When you take a seat with us, you'll experience the perfect blend of culinary delight and hospitality. Alongside classics such as Zurich-style veal strips, we'll keep surprising you with seasonal specialities – freshly prepared using local ingredients.

Whether for lunch or dinner, in the garden or in the dining room: we want you to feel completely at home.

As part of the Arbeitskette Foundation, we combine culinary artistry with social commitment. We offer supported employment to people with disabilities and support them on their journey back into the world of work.

But now, let's turn the spotlight on the kitchen.

We hope you enjoy choosing your meal and wish you, from the bottom of our hearts, 'en Guete!'

As the Krone team, we are committed to making your event a resounding success. The cosy atmosphere, the attentive service and the exquisite culinary delights provide the perfect setting for this.

THE WINE CELLAR

Award ceremonies, cabaret shows and readings are just as much at home here as leisurely and hearty aperitifs. Hidden beneath the time-honoured beams of the 'Krone', dating from 1827, lies a real gem – a wine cellar that is unique to Altstetten.

Seating capacity: 30 seats for a cosy standing aperitif

THE DINING ROOM

not only provides space for family celebrations or Christmas dinners with colleagues – above all, it invites you to linger in comfort whilst enjoying a menu you have lovingly put together. The crackling of the tiled stove and the wooden floorboards provide the ideal setting for this.

Seating capacity: 40 seats at three long tables

DAS STÜBLI

Your own private table in a cosy, intimate setting. Make your celebration truly special with one of our banquet menus. Here, too, you can hear the wood crackling in the tiled stove as your guests savour their first mouthfuls.
