

DEAR GUESTS
A WARM WELCOME TO OUR HISTORIC DINING ROOM STEEPED IN TRADITION.

Welcome to the Krone

Dining with us brings together fine food and genuine hospitality. Alongside classics such as Zurich-style sliced veal, we delight you with seasonal specialities, freshly prepared using ingredients from the region. Whether you join us for lunch or dinner, in the garden or the dining room, we want you to feel completely at home.

As part of the Arbeitskette Foundation, we combine culinary craftsmanship with social commitment. We offer supported employment to people with reduced work capacity and help them find their way back into working life.

And now, let the food take centre stage.

We hope you enjoy choosing your meal and wish you a heartfelt **“Enjoy your meal!”**
